NUMBER 2 – CLASSIFICATION

This change would add a success factor to determine divisional placement of the member schools for competition (including tournaments where necessary).

Article III – Membership

Section 3 – Classification – p. 15

- A. Each senior high school shall be classified for purposes of membership, representation, and competition (including tournaments where necessary) on the basis of previous year's enrollment on the third Friday in September with exceptions as noted below.

- 1) Beginning with the 2016-17 school year, for competition (including tournaments where necessary), a success factor will be calculated to determine division placements for the sports of soccer, volleyball, basketball, softball and baseball. Placement in divisions will first utilize the success factor. The success factor will be defined in the Season Regulations for Tournament Assignment and will be utilized where appropriate in advance of enrollment placement considerations.
- 2) Schools with only Grades 10-12 students shall add, for purposes of classification and competition:
 - a. The total enrollment figure of the Grade 9 students, if there is only one school with Grades 10-12 students in the district.
 - b. One-third of the enrollment of Grades 10-12, if there is more than one school with Grades 10-12 students in the district.
- 3) The Board of Control shall have authority to adjust enrollment figures in unusual situations (such as consolidation, formation of new school, gain or loss of district, etc.), provided such information is made known before September 15 of each year.
- 4) The enrollment of schools consisting of students of only one sex shall be doubled to determine its classification.

Note: When two or more school districts consolidate, the third Friday enrollment count of the previous year will be used for all WIAA tournaments.
- 5) In a multiple high school district, charter school enrollment will be identified by the district according to student residence. The students will be assigned and counted by the school of residence for participation, enrollment and divisional classification.

**BASEBALL (BOYS)
TOURNAMENT PROCEDURE**

1. ASSIGNMENT OF SCHOOLS WILL BE ON A GEOGRAPHICAL BASIS IN FOUR DIVISIONS IN THE SPRING PROGRAM (1-2-3-4) AND IN ONE DIVISION IN THE SUMMER PROGRAM.

Spring

- a. Schools will be evaluated by the success factor after each season:
 - 1) The success factor will be a three-year cumulative total of no less than six points in all divisions of the previous three years.
 - 2) Teams promoted using the success factor will be promoted to the next division from the previous year. No team will be moved more than one division per year.
 - 3) Promotion will only be in the sport where the school has achieved the six points.
 - 4) All teams promoted using the success factor will be locked into the promoted division and the remaining schools will be placed based on enrollment.
 - 5) After being promoted, points from a lower division will not be considered in future promotion.
 - 6) If success factor points over the previous three years are less than six points in all divisions, promoted teams will leave the division
 - 7) Co-ops
 - a) When a co-op forms, the co-op will be a point total equal with the combined total of both schools.
 - b) When a co-op dissolves, the schools will retain the points of the co-op.
 - 8) Calculating the success factor:
 - a) Points will be cumulative for a three-year period.
 - b) Points will be awarded based upon the finish of the team in the tournament series. Points do not accumulate during the tournament series.
 - (1) 4 points for winning a state title
 - (2) 3 points for advancing to the championship game
 - (3) 2 points for advancing to the state semifinal (final 4)
 - (4) 1 point for advancing to the state quarterfinal (final 8).
- b. After application of the success factor, the largest 96 schools sponsoring spring baseball are in Division 1, with the remaining schools divided equally between Divisions 2, 3 and 4.
 - 1) No team can be moved down a division due to another team's promotion if they have earned success factor points in that division during the previous three years.
 - 2) The next smallest school without success factor points during the previous three years will be moved down.
 - 3) Any tie will be addressed consistent with current season regulations.
- c. Schools may be allowed to play up one division in any sport (except football) from where its enrollment would otherwise place it if an application is submitted prior to June 1. This will not cause other schools to be displaced.

NUMBER 3 – CLASSIFICATION - Petition

This change would utilize a reducer to member schools' third Friday of September enrollment figure for competition (including tournaments where necessary).

Article III – Membership

Section 3 – Classification – p. 15

A. Each senior high school shall be classified for purposes of membership, representation, and competition (including tournaments where necessary) on the basis of previous year's enrollment on the third Friday in September with exceptions as noted below.

- 1) Schools with only Grades 10-12 students shall add, for purposes of classification and competition:
 - a. The total enrollment figure of the Grade 9 students, if there is only one school with Grades 10-12 students in the district.
 - b. One-third of the enrollment of Grades 10-12, if there is more than one school with Grades 10-12 students in the district.

- 2) If a school submits by October 1 the appropriate form to verify its free and reduced lunch statistics as of the third Friday in September of each year, the school shall have its enrollment for purposes of classification calculated using the following formula: $X - (Y \times 0.4) = Z$:

X=TOTAL ENROLLMENT

Y=NUMBER OF FREE/REDUCED LUNCH STUDENTS

Z=ENROLLMENT NUMBER FOR CLASSIFICATION

Upon request, the school must provide additional verification (from the state and/or federal government) of the figures included in the form submitted by the school for purposes of this calculation.

- 3) The Board of Control shall have authority to adjust enrollment figures in unusual situations (such as consolidation, formation of new school, gain or loss of district, etc.), provided such information is made known before September 15 of each year.

- 4) The enrollment of schools consisting of students of only one sex shall be doubled to determine its classification.

Note: When two or more school districts consolidate, the third Friday enrollment count of the previous year will be used for all WIAA tournaments.

- B. The following provisions must be met:
- 1) All coaches not licensed as teachers must have completed a WIAA approved coaches education course before they start their second year of coaching.
 - 2) In lieu of having a coach not licensed as a teacher complete a course, a school may assign a faculty mentor, not otherwise coaching, to be present at all times with the coach.
 - 3) A coach not licensed as a teacher, with five years of documented coaching experience prior to the 1994-95 school year in public or nonpublic educational institutions, will not need to complete a coaches education course, but will need to apply annually.
 - 4) Coaches not licensed as teachers, or who have not completed an approved coaches education course, must be registered with the WIAA office on the Request for Permission to Use a Coach Not Licensed to Teach Form (CNLT). This requirement includes first year coaches and coaches with five years of experience prior to the 1994-95 school year.

Section 4 – Sport Meeting Requirement

RULES OF ELIGIBILITY

NUMBER 7 – NONSCHOOL PARTICIPATION DURING THE SEASON

This change would allow any individual athlete to participate in up to two nonschool contests during the regular school sport season in the same sport with school approval. It will count against the athlete's individual participation limit. This change neither affects nor alters the exceptional athlete provision or Note #2, below.

Article VI – Nonschool Participation

Section 1 – In-Season – p. 37

A. It is the philosophy of this Association that a student owes loyalty and allegiance to the school and team of which he/she is a member during the season of a given sport. Athletes may compete in **not more than two** nonschool competitions with school approval during each regular sport season. The contest(s) will count against the individual maximum for the athlete in that sport. Nonschool competition will not be allowed during the respective WIAA tournament series in a sport. A student becomes ineligible in a sport for the remainder of the season for competing in more than two nonschool games, meets, or contests in the same sport during the season of practice and competition established by the school. The penalty may be reduced upon request of a school on the basis of documented extenuating circumstances.

- 1) Nonschool games, meets, or contests shall be interpreted ...
- 2) A student who was a member of a school team ...
- 3) A student who is cut from the squad, ...
- 4) This rule (prohibiting students from competing in nonschool programs during the school season in the same sport) may be waived on behalf of an exceptional athlete provided:
 - a. The competition has international ramifications, ...
 - b. The school requests an exemption
 - c. The athlete:
 - (1) Achieved one of the first five places (in an individual sport) ...
 - (2) Was prevented by illness, injury, or unusual circumstances ...
 - (3) Defeated in subsequent competition ...
 - (4) Qualified for Special Olympics, or for international competition

NUMBER 8 – NONSCHOOL PARTICIPATION DURING THE SEASON

This change would allow students to participate in skills contests during the season in the same sport.

Article VI – Nonschool Participation

Section 1 – In-Season – p. 37

- A. It is the philosophy of this Association that a student owes loyalty and allegiance to the school and team of which he/she is a member during the season of a given sport. A student becomes ineligible in a sport for the remainder of the season for competing in nonschool game, meet, or contest in the same sport during the season of practice and competition established by the school. The penalty may be reduced upon request of a school on the basis of documented extenuating circumstances.

Note: With the approval of school administration, a student may be allowed to participate as an individual (not part of a team) in contests which isolate separate sport skills outside the traditional competition setting, e.g., shooting, passing, kicking contests. Such skill contests/events may not include physical contact with another participant or contain similar risks for serious injury or extreme fatigue as the actual sport competition. There can be no school coach involvement. The approval of the school may be granted on the basis that such participation will not impair or alter the student's eligibility (ie: amateur status) or other membership rules.

- 1) Nonschool games, meets, or contests shall be interpreted ...
- 2) A student who was a member of a school team ...
- 3) A student who is cut from the squad, ...
- 4) This rule (prohibiting students from competing in nonschool programs during the school season in the same sport) may be waived on behalf of an exceptional athlete provided:

The five days do not need to be consecutive
 - (1) There must be a minimum of one calendar week (Sun.-Sat.) of no unrestricted school coaching contact prior to (i.e. the week immediately preceding) the first allowed practice in a fall sport. This does not affect unlimited nonschool coaching contact
 - (2) In addition to the five unrestricted school coaching contact days during the summertime, basketball coaches may provide basketball instruction to individual athletes.

CONFERENCE REALIGNMENT

Conference Alignment – Handbook p. 42

These changes clarify conference realignment procedures adopted by the Board of Control.

NOW, THEREFORE, the Board of Control establishes this procedure to be followed in realignment matters:

1. The Executive Director, or a delegate, is responsible for identifying conference alignments that merit consideration for adjustment. This identification will be determined following a petition from a conference or conferences, a request by a ~~designee of~~ a Board of Education or Governing Body of member school, or by declaration of the WIAA staff annually at the Area Meetings.
2. Working meeting(s) ~~may be made available when requested~~ with administrators and/or Board of Education/Governing Body members of any of the schools potentially affected by changes in conference affiliation. Member schools are expected to send representatives with full knowledge of the impact of conference realignment and with the full authority to respond on the school's behalf. Discussions will include, but not be limited to enrollments, travel and programs. After completing the working meetings, a preliminary recommendation will be formulated.
3. The preliminary recommendation(s) shall be made known to the affected schools and conferences before the Board of Control's first consideration. The Board retains the right to alter the preliminary recommendation after first consideration. If the preliminary recommendation is altered, first consideration action will be delayed until the next scheduled Board of Control meeting.
4. Following Board of Control first consideration and resultant action on the preliminary recommendation, all affected schools and conferences shall be notified of the action.
