2011 WIAA GIRLS STATE GOLF MEET TO REMAIN AT UNIVERSITY RIDGE

STEVENS POINT, Wis. – Following a Wisconsin Interscholastic Athletic Association Board of Control decision to relocate the 2011 Girls State Golf Championships, University Ridge officials notified the Association that the course will remain open and available for the event.

On Sept. 10, the Board voted to relocate the meet to Cherokee Country Club in Madison, Wis., as a one-year alternate site for the girls State meet venue during scheduled renovations of the greens at University Ridge. Last week, University Ridge determined not to close the course for the scheduled renovations.

University Ridge has served as the site of the meet since 1994. Upon notification of the course's decision, the WIAA will continue to conduct the championships at University Ridge.

"We are excited that University Ridge will remain open and available for the girls State Meet in 2011," WIAA Assistant Director Tom Shafranski said. "Maintaining consistency in courses for both boys and girls championships is something we consider when determining State Tournament sites.

"We are very appreciative of Cherokee Country Club's support and willingness to host the State meet for one year in the event University Ridge would not have been available because of course renovations," he said. "We believe it would have provided a competitive course and quality facility for the meet."

The WIAA oversees interscholastic athletic programs for 506 senior high schools and 85 junior high/middle level schools in its membership. It sponsors 25 championship tournament series. For more information, please contact the WIAA office at (715) 344-8580 or access our Web site at www.wiaawi.org.
