L0, L1, L2 and L3 officials will be allowed to advance two levels in classification per sport, per year, when credited for attending a WIAA approved officiating clinic or by completing a NFHS officials training video for the sport(s) official is licensed in. The official must meet all the criteria for the new level (maximum one clinic or video per sport/year). Note: Clinic attendance or training video viewing does not eliminate the WIAA rules video requirement.

L4, L5 and Master officials attending a WIAA approved clinic, conducting a WIAA approved clinic or viewing a NFHS training video will be given credit for one varsity contest on their schedule of varsity games. ALL criteria for advanced classification must be met. See Pages 3-4 of the Guide for Officials (found on the Officials Center) for details regarding classification advancement requirement.
