

CONGRATULATIONS WIAA OFFICIALS

Officials are important partners in the development and delivery of sport opportunities for high school athletes in Wisconsin. Without their willingness to be involved in officiating the various sports, many of our programs would not have progressed to where they are today.

We thank the following officials for their years of dedication and sacrifices on behalf of high school sports in Wisconsin. Congratulations to these officials that have been licensed with the WIAA for 50, 40, 30, 20 and 10 years.
