For 8-player football, equipment issue and fitness testing may take place on Monday, September 7 and practice may begin on Monday, September 7. Fitness testing is limited to the bench press, squat, dead lift and power cleans, shuttle run, endurance run, dash and vertical jump. No football implements/equipment may be used for testing.
   c. So long as participation is voluntary and available to all interested students, there shall be no restrictions upon schools, school teams and school coaches (grades 9-12) relative to assembling in the summertime, for up to 5 days which do not need to be consecutive for all WIAA sports sponsored by the school. Unrestricted contact days must conclude no later than August 8. 11-player football coaching contact ends August 1, 2020 and 8-player ends August 8, 2020. In 2021, July 24 will be the last date for coaching contact for 11-player only; 8-player teams must conclude by July 31, 2021. See additional details in e. (2) a. below.
   d. It is the philosophy of this Association that athletes should not be unreasonably restricted, except during the actual school season of a sport. Subsequently, students may voluntarily assemble at any time without school and/or school coach involvement. With school consent, in the summertime, members of a school’s team may voluntarily assemble with their teammates and coaches for purposes of instruction and/or competition for up to 5 days (do not need to be consecutive) in all WIAA sports sponsored by the school, without restriction. 
   e. Other than during the actual school season and those days designated as unrestricted coach contact days in the summertime, the following provisions shall apply to nonschool participation in accordance with the above:
      (1) An acceptable nonschool program or activity is one which is not limited to students on the basis of a school affiliation, athletic experience, team status, etc. and no school monies or resources can be applied.
      (2) The person who will be coaching a student in the following school season shall not be permitted to coach that student other than during the designated school season and Board of Control approved coach contact days in the summertime. Board of Control approved summertime contact is as follows:
         (a) Unrestricted School Coaching Contact - Coaches in all WIAA recognized sports (baseball, cross country, football, golf, gymnastics, softball, swimming & diving, tennis, track & field, volleyball, soccer, basketball, hockey and wrestling) have been afforded up to 5 days of unrestricted school coaching contact between the end of school and August 8, in accordance with the Bylaws and as described in item B of this section. The five days do not need to be consecutive.
         1) There must be a minimum of one calendar week (Sun.-Sat.) of no unrestricted school coaching contact prior to (i.e. the week immediately preceding) the first allowed practice in a fall sport. This does not affect unlimited nonschool coaching contact.
         2) Football must follow the WIAA Fall Acclimatization policy.
         (b) Unlimited Nonschool Coaching Contact – Coaches in all sports except football have been afforded unlimited nonschool coaching contact beyond the five unrestricted days that permitted to continue throughout the summertime (when school is not in session from the last day of school to the start of school) in accordance with the Bylaws and as described in Section 2 – A and C-1) of Rules of Eligibility, Article VI - Nonschool Participation.
   Note: Coaches or others may not mandate participation or provide any incentives to athletes for participating in summertime/out-of-season activities/programs. Participation may not be a requirement for making a school team or earning a letter award, etc.

(1) Short Day
   (a) Maximum practice is 3 hours of physical activity plus a 30-minute recovery period.

c. Player on Player Contact
   There are five basic types of player on player contact:
   (1) Drill contact - coach determined outcome
      Air - Players should run unopposed without bags or any opposition.
      Bags - Activity is executed against a bag, shield, or pad to allow for a soft-contact surface, with or without the resistance of a teammate or coach standing behind the bag.
      Wrap or Control - Drills run at full speed until contact, which is above the waist with the players remaining on their feet.
   (2) Competition/Full Contact - no coach determined outcome
      Thud - Same as wrap but tempo is competitive with no pre-determined winner and the players are not tackling to the ground.
      Live Competition or Full Contact - Full contact is defined as football drills or live game simulations where live action occurs - game speed where players execute full tackles at competitive pace taking players to the ground.

   (3) Limitations are the following:
      Drill Contact (Air, Bags and Wrap) is unlimited. Competition/Full Contact (Thud and Live/Full) has limitations. The Acclimatization Regulations also apply.
      Week 1 - Only Drill Contact (Air, Bags and Wrap) is allowed and it is unlimited. Competition/Full Contact is not allowed.

   d. There must be practices on a minimum of 14 different days (including the days in 3. a.) before the first game may be played.
   e. The first eight days of practice may not involve a team from outside the school.
   f. The minimum days of practice prior to the first competition is a team requirement. While it is desirable for each participant to satisfy this requirement, schools will determine when students may begin competition, after their 5 days of acclimatization.
   g. Teams must rest from all physical activity for at least one calendar day after six consecutive days of practice or competition. In the event extreme weather forces a WIAA tournament contest to be cancelled, school administration may request relief.

4. SCRIMMAGES
a. One scrimmage, over one day, with another school or schools may be conducted in addition to the maximum allowed games, meets, or contests, provided all athletes participating meet all WIAA and school eligibility requirements (exceptions: students ineligible due to academic deficiency, code of conduct violations, or those required to miss the next competitive event, due to being ejected from their last competitive event, may participate at the discretion of the school), and:
   (1) Eight different days of practice have elapsed.
   (2) There is no loss of academic class time.
   (3) It is held prior to the first game.

d. Each high school team, i.e., varsity, JV, sophomore, freshman, is allowed one scrimmage.

Note: If either school counts a scrimmage as a game, it must be counted as a game for both programs, schools or teams.

e. An individual student is allowed to participate in only one day of scrimmage activity. Note: An individual student may participate in multiple levels of scrimmages conducted on the same day.

5. DATE OF FIRST GAME

The first game may not be played before Wednesday, September 23 for all teams.

The maximum number of games for 8-player is eight except that with WIAA approval a school not in the WIAA playoffs may play a 9th game during the first week of the playoffs. Schedules of all teams should be clearly published and separated by level for each team sponsored by a school.

c. No more than one game may be scheduled in the same calendar week, and there must be a minimum of three days without play between games.

d. A game or partial game (more than one quarter remaining) postponed because of weather or other unusual circumstances may be rescheduled in a week when another game is scheduled provided there is a minimum of three days without play between games.

f. Except for events held in bordering states (MN, IL, MI and IA), no approval shall be provided for more than one out-of-state competition, event and/or scrimmage per team each school season.

7. INDIVIDUAL PARTICIPATION LIMITATIONS

a. It is strongly recommended that a student participate at only one level (varsity or nonvarsity) in the same calendar week.

b. Under unusual circumstances, as determined by school administration, a student may be a member of two different level teams in the same calendar week. In such cases, it is the responsibility of a coach to be particularly concerned about overexposing students to the point of adversely affecting their health and safety.

c. Under no conditions may a student compete as a member of more than two different level teams in the same calendar week.

8. FLAGRANT OR UNSPORTSMANLIKE CONDUCT

a. A student, disqualified from a contest for flagrant or unsportsmanlike conduct, is suspended from interscholastic competition for no less than the next competitive event (but not less than one complete game or meet) at the same level of competition as the disqualification.

b. Athletes who are ineligible during the WIAA Tournament (for any reason) may not appear in uniform, participate in warm-ups, and may not participate in the awards ceremony at the WIAA Tournament. Exception: An injured athlete will be allowed to participate in the awards ceremony provided he/she is included in the roster allotment for that game. During the regular season, schools should establish their own policy as to whether athletes are allowed to be in uniform and participate in pregame and postgame activity, if they are ineligible to compete due to flagrant and/or unsportsmanlike conduct, athletic and/or academic code violations, or for any other reason.

c. Any player who in the judgment of the official, intentionally spits on, strikes, slaps, kicks, pushes or aggressively physically contacts an official at any time shall be immediately ineligible for competition a minimum of 90 calendar days from the date of the confrontation. In addition, the player is ineligible to compete for the first 25% of the next season in that same sport.

9. PROHIBITION OF PRACTICE AT TOURNAMENT SITE

Schools are prohibited during the regular season and the WIAA tournament series from practicing for regional, sectional and state tournament preparation at sites and facilities hosting WIAA tournaments.

10. CONTEST CONTROL

a. Four WIAA licensed officials are required for all varsity interscholastic competition.

12. MEDICAL COVERAGE

For all games and practices, emergency procedures should be in place as per DPI and Wisconsin Statute 121.02 (1) (g) Emergency Nursing Service.

These should include, but are not limited to, such things as:

a. A physician available by phone or on location.

b. Phone location and phone numbers available for contacting physician and/or ambulance service.

13. CONCUSSION AND/OR UNCONSCIOUS PARTICIPANT

No athlete shall return to play or practice on the same day of being diagnosed with a concussion. Any athlete suspected of having a concussion must be evaluated by an appropriate health-care professional that day. Any athlete with a concussion must be medically cleared by an appropriate health-care professional prior to resuming participation in any practice or competition. Return to play must follow a step-wise protocol which includes provisions for delaying return to play based upon the return of any signs or symptoms. Any athlete deemed unconscious must have medical evaluation and clearance before being allowed to return to participation.
14. OXYGEN AND FLUIDS PROVIDED INTRAVENOUSLY

a. Oxygen administered by mechanical means for recuperative purposes is not permitted.

b. Fluids provided intravenously is an invasive procedure to be used only in emergency situations. An athlete may not return to competition the same day.

Note: See WIAA Medical Policies and Procedures for additional medical information.

15. PROSTHETIC LIMBS

National Federation and WIAA rules allow students to compete while wearing prosthetic limbs which are no more dangerous to players than the corresponding human limb and do not place an opponent at a disadvantage.

16. RULES GOVERNING COMPETITION

The official rules for all interscholastic competition are contained in the (a) current editions of FOOTBALL RULES and CASEBOOK and (b) related publications and interpretations of the National Federation with these additional provisions:

NATIONAL FEDERATION ALLOWED ADAPTATIONS

a. The WIAA's adaptation of the NCAA 25 yard line tie breaker must be used to resolve all senior high contests (varsity, junior varsity, sophomore, and freshman/sophomore) which are tied at the end of regulation play. (Note: There is no overtime provision for teams with only Grade 9 students.)

b. The following rule regarding the use of running time must be used:

(1) After the first quarter, when the score differential reaches 35 points or more, coaches may mutually agree to implement the use of the running clock.

(2) After the first half any time the score differential reaches 35 points or more, beginning with the ensuing kickoff the following changes, and only these changes, will be made regarding rules determining when the clock will and will not be stopped. The clock will run continuously except for the following situations when it will be stopped:

(a) Time outs charged to a team.

(b) After a score.

(c) Intermission between 3rd and 4th quarters.

(d) Extended injury time outs.

(e) Any time officials determine it is necessary for safety reasons.

Note: 1) Normal clock operating procedures resume when a team scores to make the differential less than 35 points in the third quarter. The running clock will be maintained in the fourth quarter even if the score differential goes below 35 points.

2) The use of this rule does not preclude the use of Rule 3-1-3 which reads: "A period or periods may be shortened in any emergency by agreement of the opposing coaches and the referee. By mutual agreement of the opposing coaches and the referee any remaining periods may be shortened at any time or the game may be terminated."

c. NFHS rules allow state associations and their member schools to place corporate advertising and/or commercial markings on the field of play. The logos must conform with NFHS rules and the WIAA may reject a host with any sponsorships or advertising for businesses whose primary business is the selling of products (tobacco, alcoholic beverages, lottery, gambling, mood-altering substances and lewd subject matter) prohibited by WIAA advertising policies.
