Athletes who are ineligible during the WIAA Tournament (for any reason) may not appear in uniform, participate in warm-ups, and may not participate in the awards ceremony at the WIAA Tournament.  c. Any varsity team whose players and coaches, during the regular season, collectively receive a total of 24 or more yellow cards (including all second yellow/red cards) will be prohibited from participating in the WIAA State Tournament series. This ruling may be appealed by the school involved.

This rule does not apply to yellow cards received during the tournament series.

- d. Host schools are not permitted to allow participating schools to practice on their facilities prior to the tournament.
 e. It is recommended that fields be a minimum of 65 x 110 yards. Special consideration will be given to applications to host sectional final games where field dimensions are at least 75 x 110.

Noncompliance with this regulation, once competition has begun, shall be regarded as flagrant, unsportsmanlike conduct on the part of the head coach resulting in his/her immediate ejection (leave premises) when brought to the attention of the game officials.

Note: If no other coach or faculty member of that school is present to supervise the team, the game shall be forfeited and the team disqualified from further participation in the tournament series.

If a player enters the tournament series having accumulated five or more yellow cards during the season, their yellow card count continues. Once they reach eight total cards (regular season and WIAA tournament series) they are suspended for two games, eleven yellows - suspended for three games, etc.

- k. Length of Periods (7-1-1)

During the WIAA tournament series, all games will be played in two forty-five (45) minute halves, two (2) full ten (10) minute overtimes (no sudden victory) and then penalty kicks if the game is still tied.

Note: This is an experimental rule and data must be collected during the tournament series and submitted to the WIAA. Any school hosting a tournament game should use the form that was provided and used during the season.

SEEDING PROCEDURES

- (2) All seeding meetings will be face-to-face meetings. If a school is 80 miles or more from the site of the meeting, that school could participate via electronic means.
- (3) The sectional final host will be the seeding meeting host ONLY if no one within the grouping volunteers to host the seeding meeting.
- (4) Each coach shall **provide** their Season Summary to every other school in their regional grouping and to the individual conducting the Seeding Meeting by the date designated by the seeding meeting host. **The WIAA Season Summary form must be used.**

b. At the Seeding Meeting

- (1) Coaches are required to participate in seeding meetings.
- (2) Each school will designate one person to speak on behalf of their school.
- (3) If a school is not represented at the seeding meeting, their school may still be seeded, if appropriate. If the school is not deserving of a seed, they may be ranked/positioned last.
- (4) Each coach will update his/her Season Summary to include any games played after form was submitted.
- (5) All groupings will meet together and seed as a complete group. The grouping will not be split into top eight in one room and remaining schools in a different room.
- (6) Prior to the start of the meeting, have the coaches draw to determine the order of presentations. Each coach should be allowed three minutes to discuss their season.
- (7) Coaches should consider these factors when determining their seeds (factors are not listed in any order of preference):
 - (a) Coaches comments.
 - (b) Head-to-head competition against teams in their regional grouping.
 - (c) Comparative scores against like opponents.
 - (d) Conference standings.
 - (e) Relative strength of schedule.
 - (f) Overall win-loss record.
 - (g) Other special factors (e.g., injury of a key player, etc.).
- (8) Once everyone has had the opportunity to speak, coaches should complete their Ranking Sheet. Coaches are not allowed to rank their own team.
- (9) After all Ranking Sheets are turned in, the individual conducting the Seeding Meeting will record the ballots of each school alphabetically in a visible manner (e.g., chalkboard, chart, overhead, etc.).
- (10) The rankings shall be tallied and the team with the lowest number will be the #1 seed, the team with the second lowest number shall be the #2 seed, etc., until all seeds are determined.

c. Breaking Ties

If a tie results during seeding, move to the tie-breaking procedure below:

- (1) The coaches involved in the tie shall have one minute to state his/her claims to the higher seeded position.
- (2) All coaches not involved in the tie will have one vote to determine which team gets the higher seeded position. The Seeding Meeting host will ask coaches to vote for the team that should receive the higher seeded position. No coach is allowed to abstain from voting.
- (3) After all ballots are turned in the Seeding Meeting host will record the ballots in a visible manner.
- (4) The team with the most votes receives the higher seeded position.
- (5) If the vote results in a tie, repeat this procedure.
- (6) If after two attempts, the tied vote remains, a coin flip will determine the higher seeded team.

d. Appeal Procedure

If a team feels it should have received a higher seeded position, once the votes have been tabulated, it may appeal its position relative to that of any other team. The following procedures shall be used:

- (1) Appeals may NOT be made for a lower seed. Always start from the bottom and work toward the top seed when working through the appeal process.
- (2) The coach making the appeal shall have one minute to state his/her claims to the higher seeded position. The coach of the team being challenged will then have one minute to state his/her claim to that position.
- (3) All coaches NOT involved in the appeal will have one vote to determine which team gets the higher seeded position. No coach is allowed to abstain from voting.
- (4) After all ballots are turned in, the individual conducting the Seeding Meeting will record the ballots of each school alphabetically in a visible manner.
- (5) The team with the most votes receives the higher seeded position.
- (6) A team may make any number of appeals, but an appeal between the same teams cannot be repeated. Teams may only appeal one seed higher at a time.

Example: School is seeded 6 and feels they should be the 4 seed. First, they must appeal for the 5 seed. If successful in obtaining the 5 seed, they could then appeal for the 4 seed.

- (7) If when voting on an appeal a tie vote occurs, the original placement shall stand.
 - (8) If this is an attempt to break a tie from the original placement of teams, continue to hash it out until the vote determines the placement of teams. Use a coin flip only when it appears there is no way to break the tie.
 - (9) A team cannot appeal a tie-breaking vote.
 - (10) All disagreements regarding seeding must be settled at this meeting. Once the meeting is over, the seeds are final. The WIAA will not change the results of your seeding meeting or hear appeals.
- e. During regional and sectional play, if a disqualifying violation is confirmed after brackets have been seeded, the opponent of the disqualified team shall advance regardless of their bracket position and no other adjustments shall be made within the bracket.
