2021 WIAA Cross Country State Meet  
Oct. 30, 2021

## Welcome to the Cross Country Culminating Event

Friends,

2020-21 has been a challenging year for all of us. It has been particularly challenging to our member schools and the students they serve. The fact that we are enjoying this culminating event for the cross country alternate fall season is a tribute to the school leaders, athletic directors and coaches who have "willed" this to happen.

This event also serves as a tribute to the dedication, determination and resolve of the young people competing here today; as well as to all the high school athletes who have confronted the disappointments and frustrations of all that has engulfed them in recent months and have risen above every obstacle and adversity.

Lastly, we must recognize and thank all the parents and fans who have "masked-up", observed distancing and mitigating protocols in order to give kids, schools and coaches this chance to get back together, to compete in the sports and activities they love and have missed.

Thank you to all who have contributed in both great and small ways, because it has taken all of us to bounce back this far.

We have a way to go yet. But with your help and all of us continuing to work together, there can be hope!

Sincerely,

David J. Anderson  
Executive Director

## WIAA Provides Opportunities; Structure . . .

The Wisconsin Interscholastic Athletic Association (WIAA) is a voluntary, unincorporated, and nonprofit organization. The Association membership has a diversified membership of public high schools, nonpublic high schools, public middle schools, and nonpublic middle schools. Its purpose is to organize, develop, direct and provide interscholastic athletics for member schools.

There are 514 senior high schools affiliated with the WIAA. The estimated number of student-athletes in athletics is 80,000-85,000 annually.

Governance of the WIAA is performed by the member schools. Rules and policies of the Association are developed, promulgated and implemented by the membership either through membership vote for constitutional issues or through a membership-elected committee structure for sport seasons regulations. Therefore, ownership of the membership's rules and regulations, as well as the responsibility of compliance with them, lies with each member school.

## The Development of Rules . . .

As fans watch the games during the tournament, some wonder how the rules of the game and of the WIAA were created.

- ◆ The National Federation of State High School Associations is the authority of the competition rules for sport contests (i.e. uniforms, length of contest, game rules). As a member of the NFHS, the WIAA adheres to those rules as a member in good standing. The WIAA, as well as all state associations in the NFHS, has input with an advisory role in the review and promulgation of the playing rules. The NFHS office is located in Indianapolis, Indiana.
- ◆ For changes to the membership's Constitution, Bylaws and Rules of Eligibility, a vote of the entire membership is required at the Annual Meeting each spring. The Constitution contains information relating to the Association as an organization. The Bylaws encompass information relating to member high schools' responsibility concerning WIAA rules and regulations. The Rules of Eligibility embody information relating to the relationship of the student-athlete to the high school and the WIAA.
- ◆ The Board of Control has the ultimate authority in determining the outcome of sport seasons rule recommendations and regulations. Changes to the sport seasons regulations are advanced through the democratic committee structure. Among the advisory groups that provide input to the Board are the coaches advisory committees for each sport; the sports advisory committee, comprised of school athletic directors from each of the seven districts; the Advisory Council, consisting of school administrators from each elector district; and the executive staff. Other groups with advisory responsibilities include the Medical Advisory Committee, Sportsmanship Committee and the Officials Advisory Committee. The Season Regulations address, among other topics, definition of the sports seasons, participation, contest control and tournament procedures.

Currently, the Association sponsors 24 sports including baseball, basketball, cross country, 8-player, 11-player football, golf, hockey, soccer, swimming & diving, tennis, track & field, volleyball and wrestling for boys; and basketball, cross country, golf, gymnastics, hockey, soccer, softball, swimming & diving, tennis, track & field and volleyball for girls.

# PROUD SPONSOR OF THE WIAA/ RURAL MUTUAL SPORTSMANSHIP AWARD

*“When you’re faced with a challenge,  
how you respond determines the real winner.”*

Rural Mutual Insurance has been a sponsor of the WIAA/Rural Mutual Insurance Sportsmanship Award since it was started in 1965.

We believe there’s something more important than just winning or losing a tournament. We believe that the team, school, and fans who support their athletes with dignity and class are the true champions.

# Rich In History

The WIAA goes back to 1913 to determine its first boys cross country tournament champion. Milwaukee Riverside was the first team champion. Otto Andel of Milwaukee North is credited with winning the first individual title as the first high school runner to cross the finish line that season.

Milwaukee Normal School (now University of Wisconsin-Milwaukee) conducted the first State meet and the next 22. The meet has been staged in 13 different locations, including Milwaukee (four different sites), Madison, South Milwaukee, Whitefish Bay, Hartford, Kettle Moraine, Wausau, Kenosha, Wisconsin Dells and presently Wisconsin Rapids, where it has been since 1988 with the exception of 2020 when the championships were raced at Arrowhead High School for Division 1, Colby High School for Division 2 and at Maple Grove Venues in West Salem for Division 3 during the COVID-19 pandemic.

There was one class of competition until 1933, when for two years it changed to two divisions. The format reverted back in 1935 because of insufficient school participation until 1949 when it returned to two classes. It became three classes in 1956 and has remained at three except in 1968, 1969 and 1970 when it was two classes. Terminology was changed to Divisions 1-2-3 instead of Classes A-B-C in 1990.

Milwaukee Riverside not only won the first championship, but also the next seven, as well as six more from 1923 to 1928. Darlington also won six straight championships, capturing Division 3 titles from 2011-16.

Riverside has won the most championships with 16, and all of them were won between 1913 and 1936. South Milwaukee and Stevens Point are next with 10 titles; Darlington, Madison West and Shorewood have won eight; Fennimore has seven team titles; Albany and Milwaukee Bay View have six; and Cochrane-Fountain City, Milwaukee Washington, Port Washington and Whitefish Bay have five. Milwaukee Washington also has been runner-up 11 times.

Only six boys have won three individual championships. They are Jim Brice of Wrightstown (1975-77), Paul Voss of Clinton (1977-79), Phil Downs of Madison Memorial (1989-91), Chris Solinsky of Stevens Point (2000-02), Tyson Miehle of Darlington (2011-13) and most recently Dave Vannucchi of Luther (2016-18). There have been an additional 32 boys in Wisconsin who have won two individual titles.

Milwaukee Riverside has produced the most individual champions with 10, followed by South Milwaukee with eight. Shorewood, Stevens Point and Madison West have produced six. Menomonee Falls North and Milwaukee South have produced five individual champions, and Boscobel, Madison Memorial, McFarland, Port Washington and Whitefish Bay have claimed four individual championships. Individual titles have been won by runners from 131 different schools.

The WIAA began sponsoring a girls cross country tournament program in 1975. Prairie du Chien won the first championship with Waukesha South finishing runner-up.

The State meet has always been held in conjunction with the boys State meet. The girls meet has been raced at a number of different locations, including Yahara Hills in Madison, the American Legion Golf Course in Wausau, UW-Parkside in Kenosha, Christmas Mountain in Wisconsin Dells and the Ridges Golf Course in Wisconsin Rapids, where it has been since 1988 with the exception of 2020 when the championships were raced at Arrowhead High School for Division 1, Colby High School for Division 2 and at Maple Grove Venues in West Salem for Division 3 during the COVID-19 pandemic.

There was only one class of competition for the first three years (1975-77). It became two classes in 1978 and three classes in 1980. Terminology was changed from Classes A-B-C to Divisions 1-2-3 in 1990. The girls ran a 3,200-meter until 1993 and then a 4,000-meter race up until 2014, when the distances were extended to five kilometers.

Waukesha West leads the way in number of State Championships with seven. Lourdes Academy is next on the list with six. Luxemburg-Casco and Pewaukee have won the third-most titles with five. Albany, Arrowhead, Edgar, Fennimore, La Crosse Central, Middleton, Mount Horeb (not including a title as a co-op program with Barneveld) and Tomahawk are tied for third with four each; followed by Boscobel, Brookwood, Cochrane-Fountain City, Neenah, Prentice, Stevens Point and Verona with three each.

Only Waukesha West (1998-2001) has won four consecutive championships. Three consecutive titles have been won by Albany (1989-91), Arrowhead (2011-13), Dodgeville/Mineral Point (2010-12), Fennimore (1980-82), La Crosse Central (1988-90), Lourdes Academy (2013-15), Middleton (1995-97), Neenah (1981-83), Pewaukee (2001-03) and Prentice (1985-87).

Molly Seidel of University Lake School (2008-11) and Suzy Favor of Stevens Point (1982-85) are the only Wisconsin girls cross country runners to win four State titles.

Cathy Branta of Slinger (1978-80) and Ashley Beutler of New Glarus/Monticello (2004, 2006-07) are the only other runners to have won three titles. Suzie Houston of Tomahawk (1975-76), Maryann Brunner of Waukesha North (1978-79), Jackie Anderson of Mount Horeb (1981-84), Clare Eichner of Wauwatosa East (1986-87), Amy Wickus of Baraboo (1988-89), Avrie Walters of La Crosse Logan (1991-92), Sue Daggett of Random Lake (1991-92), Kristina Betzholt of Eau Claire North (1993-94), Rachel Earney of Cochrane-Fountain City (1995-96), Liz Reusser of Middleton (1997-98), Kelly Bogard of Kimberly (2005, 2007), Gabby Levac of Arrowhead (2008-09), Alexandra Fons of Franklin (2010-11), Dana Feyen of Gale-Ettrick-Trempealeau (2016-17) and Marissa Ellenbecker of Edgar (2017-18) have two titles.

Mount Horeb, Slinger, Stevens Point and University Lake School have produced the most individual champions with four. Baraboo, Cochrane-Fountain City, Dodgeville/Mineral Point, Edgar, New Glarus/Monticello, Pardeeville, Random Lake and Shorewood have produced three individual champions. Individual titles have been won by runners from 81 different schools.

## WIAA OFFICIALS

William Semmens – Meet Referee  
Loren Homb – Starter

## 2021 State Preview

### GIRLS CHAMPIONSHIPS NOTES

The field has five teams returning that competed in the 2019 meet and 11 individuals returning after finishes in the top 21 of their respective divisions in 2019. Middleton finished fourth in Division 1 in 2019, and the Cardinals return to the alternate season State Meet with three runners returning from that squad. Madison West is back in the State field after placing ninth in Division 1. The Regents also return a trio of runners from that meet. Eau Claire Memorial placed 13th in Division 1, and the Old Abes qualify four runners that ran on that team at State. De Pere returns two runners and contributed to a 15th-place finish in Division 1, and Fond du Lac has two runners returning from their squad that placed 17th in Division 1. Individually, the top returning finisher in 2019 that has qualified for the alternate State Meet is junior Lauren Pansegrau of Middleton, who was runner-up in Division 1. Junior Genevieve Nashold of Madison West placed eighth in Division 1 in 2019, and junior Jillian Heth of Eau Claire Memorial was 16th. Sophomore Zaira Malloy-Salgado of Middleton and senior Madelynn McIntyre of Brodhead/Juda each finished 21st in their respective divisions, Malloy-Salgado in Division 1 and McIntyre in Division. 2.

### BOYS CHAMPIONSHIPS NOTES

The field has four teams returning after finishes in the top 20 and four individuals that placed in the top 25 in their respective divisions in 2019. Middleton is essentially the returning champion after winning the Division 1 title in 2019. The Cardinals return three runners from that squad. Stevens Point finished runner-up behind Middleton. The Panthers return four runners from that squad. Green Bay Preble placed ninth in Division 1, and the Hornets return to the qualifying field with three runners back from that squad. New Glarus/Monticello placed 15th in Division 2 in 2019, and the co-op has all but one of its participants in that meet returning to compete in the alternate season State Meet. Individually, the top returning runner from the meet in 2019 is senior Jake Bourget of Stevens Point. He placed 14th in Division 1. Senior Karl Olson of Madison La Follette placed 23rd in Division 1, and senior Riley Siltman of Evansville placed fourth in Division 2. The only other qualifier for the alternate season State meet that finished in the top 25 is senior Bryan Bloomquist of Janesville Craig, who was 25th in Division 1.

## Scoring & Team Classification

The schools that were unable to provide cross country in the fall season, had the opportunity to compete in the WIAA alternate fall, which includes a State Tournament series. Fifty-nine boys teams and fifty-seven girls teams opted into the alternate fall season for cross country. Due to the reduced number of teams, compared to the fall (345), the alternate fall tournament was conducted in only one division.

In the first round of the tournament series, teams were divided into one of four sectionals. Each sectional contained 14-15 teams. Due to COVID and the need to socially distance the athletes, the number of athletes at the start line was restricted. Each gender was split into two waves for the sectional race. After both waves were complete, the race data was compiled. The top two teams and five individual runners, not on a qualifying team, advanced to the alternate fall State Meet.

The alternate fall State Meet will take place at Blackhawk Golf Course in Janesville, on Saturday, May 8, 2021, and will feature 8 teams and 20 individual runners (in each gender) who qualified for the alternate fall State Meet. All 76 athletes will participate in a single race to determine the 2020 Alternate Fall State Champion.

A cross country team consists of a maximum of seven runners.

The race distance is 5,000 meters for both boys and girls.

Scoring in cross country is based on one point for first place, two for second, three for third, etc., until all runners representing teams have been ranked and tallied. The team score is determined by

totaling the points scored by the first five finishers of each team, but the sixth and seventh runners score indirectly because they push back the finish places of runners from other schools. Individual qualifiers are disregarded in determination of team points.

Ties in team scoring are resolved by comparing the sixth-place finishers from the tying teams. The team with the best sixth-place finisher wins. If a team does not have a sixth-place finisher, the other team wins the tie-breaker. If tying teams have only five finishers, the team with the best score involving the first four finishers wins the tie-breaker.

Trophies are awarded the champion and runner-up teams. Medals are awarded to the members of the championship and runner-up teams (7), plus the first 10 individual finishers.

# TRUE CHAMPIONS

*may be celebrated for their trophies and titles,  
but they are always remembered for their heart.*

**WIN AS ONE.**  
**GOOD LUCK TO ALL.**

# Kids belong out here.

## We help keep them here.

At Marshfield Children's, we believe kids belong playing sports, cheering on their favorite teams and having fun with other children. Our network of primary and specialty care helps keep them there.

In communities across Wisconsin, our pediatricians are supported by more than 40 children's specialties - like pediatric orthopedics, behavioral health and dermatology - all working together to keep your child in the game.

## For the love of kids.
