

Baseball (Boys)

TOURNAMENT PROCEDURE

1. ASSIGNMENT OF SCHOOLS WILL BE ON A GEOGRAPHICAL BASIS IN FOUR DIVISIONS (1-2-3-4).

The largest 112 schools sponsoring baseball are in Division 1, with the remaining schools divided equally between Divisions 2, 3 and 4.

Note: If there is an uneven number of schools for Division 2, 3, and 4: with one extra school, Division 4 will include one more school or with two extra schools, Divisions 3 and 4 will include one more than Division 2.

- a. Schools may be allowed to play up one division in any sport (except football) from where its enrollment would otherwise place it if an application is submitted prior to June 1. This will not cause other schools to be displaced.

2. THE TOURNAMENT PLAN – LEVELS OF COMPETITION, DATES, PAIRINGS AND SITES – IS AS FOLLOWS:

Note: In the event scheduled classes are interrupted or terminated due to infectious/communicable disease, refer to WIAA Bylaws, Article II, Section 6-A. (p. 28) of WIAA Senior High Handbook.

- b. Each grouping will be seeded by the coaches in that group.

- (1) The higher seed of each pairing will host each tournament game. The most important consideration is getting the game played when scheduled. If the field is not playable, the game should be moved to an alternate site provided by the highest seeded team or moved to the opponent's field.

Note 1: In the event of a conflict in which one school has graduation scheduled on the date of a regional game and mutual agreement cannot be reached on a rescheduled time or date, the start time will be 1 p.m. on the published date of the regional game.

Note 2: If the date of the regional game is changed due to graduation and the contracted umpires are not available due to the change, they must be paid their game fee according to the contract. It is the responsibility of the schools to find new officials and pay the additional fees. WIAA will reimburse for the two officials working the game, and the schools must absorb the cost of the contracted officials.

- (2) All sectional games will be played at sites predetermined by the WIAA.

- (3) There is no repairing of schools for sectional play.

- c. Sectionals

- (1) Winners of regionals participate in one of eight Division 1 or one of four each Divisions 2, 3 or 4 sectionals on Tuesday, June 22.

- b. The highest seeded team shall be the home team for all regional tournament games.

- c. The maximum number of participants for each tournament game is 18. There is no limitation on the number of players in uniform for each tournament game.

The complete policy for UAVs is located on page 52 of the Senior High Handbook. Contact the WIAA office with all requests to operate drones at WIAA Tournament events.

SEEDING PROCEDURES

- a. The Seeding Meeting
 - (1) The entire sectional will be seeded together in Division 1. Divisions 2-3-4 will be seeded in regional groups. Seeding Meetings must be held face to face unless all schools involved agree to an alternate method. Coaches with travel more than 80 miles one-way may participate in the seeding meeting using a video conferencing tool as determined by the host school.
 - (2) Seeding Meetings must be held between **May 30-June 2** for Divisions 2-3-4. Division 1 seeding meetings will be **June 6-9**.
 - (3) Each coach must FAX scores of their team's games to every other school in their regional grouping two days prior to the Seeding Meeting.
 - (4) The Seeding Meeting host must report the seeding results/pairings using the online form as soon as possible upon the completion of your meeting.
- b. At the Seeding Meeting
 - (1) Coaches are required to participate in seeding meetings.
 - (2) Each school will designate one person to speak on behalf of their school.
 - (3) If a school is not represented at the seeding meeting, their school may still be seeded, if appropriate. If the school is not deserving of a seed, they may be ranked/positioned last.
 - (4) Each coach will update his/her Season Summary to include any games played on Friday.
 - (5) Prior to the start of the meeting, have the coaches draw to determine the order of presentations. Each coach should be allowed three minutes to discuss their season.
 - (6) Coaches should consider these factors when determining their seeds:
 - (a) Coaches comments.
 - (b) Head-to-head competition against teams in their regional grouping.
 - (c) Comparative scores against like opponents.
 - (d) Conference standings.
 - (e) Relative strength of schedule.
 - (f) Overall win-loss record.
 - (g) Other special factors (e.g., injury of a key player, etc.).
 - (7) Once everyone has had the opportunity to speak, coaches should complete their Ranking Sheet. Coaches are not allowed to rank their own team.
 - (8) After all Ranking Sheets are turned in, the individual conducting the Seeding Meeting will record the ballots of each school alphabetically in a visible manner (e.g., chalkboard, chart, overhead, etc.).
 - (9) The rankings shall be tallied and the team with the lowest number will be the #1 seed, the team with the second lowest number shall be the #2 seed, etc., until all seeds are determined.
- c. Breaking Ties

If a tie results during seeding, move to the tie-breaking procedure below:

 - (1) The coaches involved in the tie shall have one minute to state his/her claims to the higher seeded position.
 - (2) All coaches not involved in the tie will have one vote to determine which team gets the higher seeded position. The Seeding Meeting host will ask coaches to vote for the team that should receive the higher seeded position. No coach is allowed to abstain from voting.
 - (3) After all ballots are turned in the Seeding Meeting host will record the ballots in a visible manner.
 - (4) The team with the most votes receives the higher seeded position.
 - (5) If the vote results in a tie, repeat this procedure.
 - (6) If after two attempts, the tied vote remains, a coin flip will determine the higher seeded team.
- d. Appeal Procedure

If a team feels it should have received a higher seeded position, once the votes have been tabulated, it may appeal its position relative to that of any other team. The following procedures shall be used:

 - (1) Appeals may NOT be made for a lower seed. Always start from the bottom and work toward the top seed when working through the appeal process.
 - (2) The coach making the appeal shall have one minute to state his/her claims to the higher seeded position. The coach of the team being challenged will then have one minute to state his/her claim to that position.
 - (3) All coaches NOT involved in the appeal will have one vote to determine which team gets the higher seeded position. No coach is allowed to abstain from voting.
 - (4) After all ballots are turned in, the individual conducting the Seeding Meeting will record the ballots of each school alphabetically in a visible manner.
 - (5) The team with the most votes receives the higher seeded position.
 - (6) A team may make any number of appeals, but an appeal between the same teams cannot be repeated. Teams may only appeal one seed higher at a time.
Example: School is seeded 6 and feels they should be the 4 seed. First, they must appeal for the 5 seed. If successful in obtaining the 5 seed, they could then appeal for the 4 seed.
 - (7) If when voting on an appeal a tie vote occurs, the original placement shall stand.
 - (8) If this is an attempt to break a tie from the original placement of teams, continue to hash it out until the vote determines the placement of teams. Use a coin flip only when it appears there is no way to break the tie.

- (9) A team cannot appeal a tie-breaking vote.
- (10) All disagreements regarding seeding must be settled at this meeting. Once the meeting is over, the seeds are final. The WIAA will not change the results of your seeding meeting or hear appeals.
- e. If a disqualifying violation is confirmed after brackets have been seeded, the opponent of the disqualified team shall advance regardless of their bracket position and no other adjustments shall be made within the bracket.

TOURNAMENT HOSTS

- a. After the seeds are determined, the schools should be placed on the Bracket Form on the predesignated line.
- b. The higher seed of each pairing will host each regional tournament game and be designated the home team.
 - (1) In Division 1 sectionals where all teams are seeded together, the higher seeded team will be the home team.
 - (2) A coin flip will determine the home team for Divisions 2-3-4 sectional and all State Tournament games. The first school alpha shall be heads.
