1. PRESEASON AND OUT-OF-SEASON
a. Organizational meetings may be conducted outside the season provided no instruction or practice is included and the meeting(s) has been approved by school administration.
b. So long as participation is voluntary and available to all interested students, there shall be no restrictions upon schools, school teams and school coaches (grades 9-12) relative to assembling in the summertime, for up to 5 days which do not need to be consecutive for all WIAA sports sponsored by the school. Unrestricted contact days must conclude no later than July 31.
c. It is the philosophy of this Association that athletes should not be unreasonably restricted, except during the actual school season of a sport. Subsequently, students may voluntarily assemble at any time without school and/or school coach involvement. With school consent, in the summertime, members of a school’s team may voluntarily assemble with their teammates and coaches for purposes of instruction and/or competition for up to 5 days in all WIAA sports sponsored by the school, without restriction. Note: Whether an opportunity is school sponsored or not, coach contact may not exceed Board of Control approved contact days.
d. Other than during the actual school season and those days designated as unrestricted coach contact days in the summertime, the following provisions shall apply to nonschool participation in accordance with the above:
   (1) An acceptable nonschool program or activity is one which is not limited to students on the basis of a school affiliation, athletic experience, team status, etc. and no school monies or resources can be applied.
   (2) The person who will be coaching a student in the following school season shall not be permitted to coach that student other than during the designated school season and Board of Control approved coach contact days in the summertime. Board of Control approved summertime contact is as follows:
      (a) Unrestricted School Coaching Contact - Coaches in all WIAA recognized sports (baseball, cross country, football, golf, gymnastics, softball, swimming & diving, tennis, track & field, volleyball, soccer, basketball, hockey and wrestling) have been afforded up to 5 days of unrestricted school coaching contact between the end of school and July 31, in accordance with the Bylaws and as described in item B of this section. The five days do not need to be consecutive.
      1) There must be a minimum of one calendar week (Sun.-Sat.) of no unrestricted school coaching contact prior to (i.e. the week immediately preceding) the first allowed practice in a fall sport. This does not affect unlimited nonschool coaching contact.
      2) Football must follow the WIAA Fall Acclimatization policy.
      (b) Unlimited Nonschool Coaching Contact – Coaches in all sports except football have been afforded unlimited nonschool coaching contact beyond the five unrestricted days that is permitted to continue throughout the summertime (when school is not in session from the last day of school to the start of school) in accordance with the Bylaws and as described in Section 2 – A and C-1) of Rules of Eligibility, Article VI - Nonschool Participation.
      Note: Coaches or others may not mandate participation or provide any incentives to athletes for participating in summertime/out-of-season activities/programs. Participation may not be a requirement for making a school team or earning a letter award, etc.

2. LENGTH OF SEASON
The earliest day practice may begin is Monday of Week 42 (April 19). The season ends on Tuesday of Week 50 (June 19).

3. MINIMUM DAYS OF PRACTICE
a. There must be practices on a minimum of three different days before the first competition may be conducted.
b. The minimum days of practice may not involve a team from outside the school.
c. The minimum days of practice prior to the first competition is a team requirement. While it is desirable for each participant to satisfy this requirement, schools will determine when students may begin competition.
d. Teams must rest from all physical activity for at least one calendar day after six consecutive days of practice or competition. In the event extreme weather forces a WIAA tournament contest to be cancelled, school administration may request relief.

4. SCRIMMAGES
Any interschool scrimmage counts toward the maximum allowed meets.

5. DATE OF FIRST MEET
The first meet may not be held before Thursday, April 22.

6. MAXIMUM ALLOWED MEETS
a. The maximum number of meets is 15 if one meet is scheduled on a Saturday. Schedules of all teams should be clearly published and separated by level for each team sponsored by a school.

c. No meet may be scheduled (but may be rescheduled if postponed) after any of the schools involved have begun WIAA tournament series competition.
d. No meet may continue more than two days.
e. The WIAA tournament series is not part of the maximum allowed meets.
f. Competition involving students not eligible for the school’s official interscholastic teams (e.g., Grade 7-8 students) must be conducted at a time other than during the period (start to finish) of a meet.
7. INDIVIDUAL PARTICIPATION LIMITATIONS

b. Any player who in the judgment of the official, intentionally spits on, strikes, slaps, kicks, pushes or aggressively physically contacts an official at any time shall be immediately ineligible for competition a minimum of 90 calendar days from the date of the confrontation. In addition, the player is ineligible to compete for the first 25% of the next season in the same sport.
c. Any athlete deemed unconscious must have a physician available by phone or on location.

d. Disqualifications as a result of USGA rule violations (e.g., signing for a wrong score, arriving late for a tee time, etc.) shall not require a player to miss the next event for unsportsmanlike conduct.

9. PROHIBITION OF PRACTICE AT TOURNAMENT SITE
A school which practices on a course (except home course(s)) where later in the season (regular season and WIAA tournament series) it will be competing must count such practices in its maximum allowed meets. Each school golf team may designate up to three courses within 25 miles of their school as their “home course” for practice. Exceptions: One practice round will be allowed at the sectional site outside the 15 meet maximum. Teams participating in the State Tournament will be allowed one designated practice round on the State Tournament site outside the 15 meet maximum. University Ridge Golf Course may not be designated as a “home course” for any school golf program.

10. CONTEST CONTROL
a. All schools are responsible before, during and after a meet for the proper conduct of their coaches, athletes, students and other spectators and, when requested, a school must complete a report regarding the meet in which a problem occurred (WIAA Bylaws, Article X).
b. Schools are expected to prohibit and/or eliminate pranks, mischief or any other activity involving destruction, theft, etc., of athletic facilities, equipment and material.

No athlete shall return to play or practice on the same day of being diagnosed with a concussion. Any athlete suspected of having a concussion must be evaluated by an appropriate health-care professional that day. Any athlete with a concussion must be medically cleared by an appropriate health-care professional prior to resuming participation in any practice or competition. Return to play must follow a step-wise protocol which includes provisions for delaying return to play based upon the return of any signs or symptoms. Any athlete deemed unconscious must have medical evaluation and clearance before being allowed to return to participation.

14. OXYGEN AND FLUIDS PROVIDED INTRAVENOUSLY
a. Oxygen administered by mechanical means for recuperative purposes is not permitted.

ADAPTATIONS TO USGA RULES
a. The host school or a conference will determine the type of play (match, medal or combination match-medal) governing competition.
b. A player improperly attired will not be allowed to tee off. If the player removes an outer garment during play, and the clothing underneath is illegal, that player shall receive a warning for their first offense, and if they fail to correct the problem or commit a second offense, they will be disqualified from competition for unsportsmanlike conduct.

When a golf course has specific attire rules, (i.e., collared shirt) players will comply with the rule or will not be allowed to participate in the meet.
