- (3) The sectional final host will be the seeding meeting host ONLY if no one within the grouping volunteers to host the seeding meeting.
 - (4) Each coach shall provide their Season Summary to every other school in their regional grouping and to the individual conducting the Seeding Meeting by the date designated by the seeding meeting host. The WIAA Season Summary form must be used.
- b. At the Seeding Meeting
- (1) Coaches are required to participate in seeding meetings.
 - (2) Each school will designate one person to speak on behalf of their school.
 - (3) If a school is not represented at the seeding meeting, their school may still be seeded, if appropriate. If the school is not deserving of a seed, they may be ranked/positioned last.
 - (4) Each coach will update his/her Season Summary to include any matches played **after form was submitted**.
 - (5) All groupings will meet together and seed as a complete group. The grouping will not be split into top eight in one room and remaining schools in a different room.
 - (6) Prior to the start of the meeting, have the coaches draw to determine the order of presentations. Each coach should be allowed three minutes to discuss their season.
 - (7) Coaches should consider these factors when determining their seeds (factors are not listed in any order of preference):
 - (a) Coaches comments.
 - (b) Head-to-head competition against teams in their regional grouping.
 - (c) Comparative scores against like opponents.
 - (d) Conference standings.
 - (e) Relative strength of schedule.
 - (f) Overall win-loss record.
 - (g) Other special factors (e.g., injury of a key player, etc.).
 - (8) Once everyone has had the opportunity to speak, coaches should complete their Ranking Sheet. Coaches are not allowed to rank their own team.
 - (9) After all Ranking Sheets are turned in, the individual conducting the Seeding Meeting will record the ballots of each school alphabetically in a visible manner (e.g., chalkboard, chart, overhead, etc.).
 - (10) The rankings shall be tallied and the team with the lowest number will be the #1 seed, the team with the second lowest number shall be the #2 seed, etc., until all seeds are determined.
- c. Breaking Ties
- If a tie results during seeding, move to the tie-breaking procedure below:
- (1) The coaches involved in the tie shall have one minute to state his/her claims to the higher seeded position.
 - (2) All coaches not involved in the tie will have one vote to determine which team gets the higher seeded position. The Seeding Meeting host will ask coaches to vote for the team that should receive the higher seeded position. No coach is allowed to abstain from voting.
 - (3) After all ballots are turned in the Seeding Meeting host will record the ballots in a visible manner.
 - (4) The team with the most votes receives the higher seeded position.
 - (5) If the vote results in a tie, repeat this procedure.
 - (6) If after two attempts, the tied vote remains, a coin flip will determine the higher seeded team.
- d. Appeal Procedure
- If a team feels it should have received a higher seeded position, once the votes have been tabulated, it may appeal its position relative to that of any other team. The following procedures shall be used:
- (1) Appeals may NOT be made for a lower seed. Always start from the bottom and work toward the top seed when working through the appeal process.
 - (2) The coach making the appeal shall have one minute to state his/her claims to the higher seeded position. The coach of the team being challenged will then have one minute to state his/her claim to that position.
 - (3) All coaches NOT involved in the appeal will have one vote to determine which team gets the higher seeded position. No coach is allowed to abstain from voting.
 - (4) After all ballots are turned in, the individual conducting the Seeding Meeting will record the ballots of each school alphabetically in a visible manner.
 - (5) The team with the most votes receives the higher seeded position.
 - (6) A team may make any number of appeals, but an appeal between the same teams cannot be repeated. Teams may only appeal one seed higher at a time.
Example: School is seeded 6 and feels they should be the 4 seed. First, they must appeal for the 5 seed. If successful in obtaining the 5 seed, they could then appeal for the 4 seed.
 - (7) If when voting on an appeal a tie vote occurs, the original placement shall stand.
 - (8) If this is an attempt to break a tie from the original placement of teams, continue to hash it out until the vote determines the placement of teams. Use a coin flip only when it appears there is no way to break the tie.
 - (9) A team cannot appeal a tie-breaking vote.
 - (10) All disagreements regarding seeding must be settled at this meeting. Once the meeting is over, the seeds are final. The WIAA will not change the results of your seeding meeting or hear appeals.
- e. During regional and sectional play, if a disqualifying violation is confirmed after brackets have been seeded, the opponent of the disqualified team shall advance regardless of their bracket position and no other adjustments shall be made within the bracket.
