1. **PRESEASON AND OUT-OF-SEASON**
   a. Organizational meetings may be conducted outside the season provided no instruction or practice is included and the meeting(s) has been approved by school administration.
   b. So long as participation is voluntary and available to all interested students, there shall be no restrictions upon schools, school teams and school coaches (grades 9-12) relative to assembling in the summertime, for up to 5 days which do not need to be consecutive for all WIAA sports sponsored by the school. Unrestricted contact days must conclude no later than July 31.
   c. It is the philosophy of this Association that athletes should not be unreasonably restricted, except during the actual school season of a sport. Subsequently, students may voluntarily assemble at any time without school and/or school coach involvement. With school consent, in the summertime, members of a school’s team may voluntarily assemble with their teammates and coaches for purposes of instruction and/or competition for up to 5 days in all WIAA sports sponsored by the school, without restriction. **Note:** Whether an opportunity is school sponsored or not, coach contact may not exceed Board of Control approved contact days.
   d. Other than during the actual school season and those days designated as unrestricted coach contact days in the summertime, the following provisions shall apply to nonschool participation in accordance with the above:
      1. An acceptable nonschool program or activity is one which is not limited to students on the basis of a school affiliation, athletic experience, team status, etc. and no school monies or resources can be applied.
      2. The person who will be coaching a student in the following school season shall not be permitted to coach that student other than during the designated school season and Board of Control approved coach contact days in the summertime. Board of Control approved summertime contact is as follows:
         a. **Unrestricted School Coaching Contact - Coaches in all WIAA recognized sports (baseball, cross country, football, golf, gymnastics, softball, swimming & diving, tennis, track & field, volleyball, soccer, basketball, hockey and wrestling) have been afforded up to 5 days of unrestricted school coaching contact between the end of school and July 31, in accordance with the Bylaws and as described in item B of this section. The five days do not need to be consecutive.**
            1) There must be a minimum of one calendar week (Sun.-Sat.) of no unrestricted school coaching contact prior to (i.e. the week immediately preceding) the first allowed practice in a fall sport. This does not affect unrestricted nonschool coaching contact.
            2) Football must follow the WIAA Fall Acclimatization policy.
         b. **Unlimited Nonschool Coaching Contact – Coaches in all sports except football have been afforded unlimited nonschool coaching contact beyond the five unrestricted days that is permitted to continue throughout the summertime (when school is not in session from the last day of school to the start of school) in accordance with the Bylaws and as described in Section 2 – A and C-1) of Rules of Eligibility, Article VI - Nonschool Participation.**
            Note: Coaches or others may not mandate participation or provide any incentives to athletes for participating in summertime/out-of-season activities/programs. Participation may not be a requirement for making a school team or earning a letter award, etc.
   2. **LENGTH OF SEASON**
      The earliest day practice may begin is Monday of Week 19 (November 11). The season ends with the State Tournament concluding on Saturday of Week 35 (March 7).
   3. **MINIMUM DAYS OF PRACTICE**
      a. There must be practices on a minimum of 20 different days before the first competition may be conducted.
      b. The minimum days of practice may not involve a team from outside the school.
      c. The minimum days of practice prior to the first competition is a team requirement. While it is desirable for each participant to satisfy this requirement, schools will determine when athletes may begin competition.
      d. Teams must rest from all physical activity for at least one calendar day after six consecutive days of practice or competition. In the event extreme weather forces a WIAA tournament contest to be cancelled, school administration may request relief.
   4. **SCRIMMAGES**
      Any interschool scrimmage counts toward the maximum allowed meets.
   5. **DATE OF FIRST MEET**
      The first meet may not be held before Thursday, December 5.
   6. **MAXIMUM ALLOWED MEETS**
      a. The maximum number of meets is 14. Schedules of all teams should be clearly published and separated by level for each team sponsored by a school.
      b. Conference tournaments must be included in count of regular season maximums.
      c. No meet may continue more than two days.
      d. No meets may be scheduled (but a meet may be rescheduled if postponed) after any of the schools in the rescheduled event have begun WIAA tournament series competition.

   b. Athletes who are ineligible during the WIAA Tournament (for any reason) may not appear in uniform, participate in warm-ups, and may not participate in the awards ceremony at the WIAA Tournament. Exception: An injured athlete will be allowed to participate in the awards ceremony provided he/she is included in the roster allotment for that game. During the regular season, schools should establish their own policy as to whether athletes are allowed to be in uniform and participate in pregame and postgame activity, if they are ineligible to compete due to flagrant and/or unsportsmanlike conduct, athletic and/or academic code violations, or for any other reason.
   c. Any player who in the judgment of the official, intentionally spits on, strikes, slaps, kicks, pushes or aggressively physically contacts an official at any time shall be immediately ineligible for competition a minimum of 90 calendar days from the date of the confrontation. In addition, the player is ineligible to compete for the first 25% of the next season in that same sport.

Return to play must follow a step-wise protocol which includes provisions for delaying return to play based upon the return of any signs or symptoms. Any athlete deemed unconscious must have medical evaluation and clearance before being allowed to return to participation.

14. **OXYGEN AND FLUIDS PROVIDED INTRAVENOUSLY**
    a. Oxygen administered by mechanical means for recuperative purposes is not permitted.
