

Basketball

Beloit in Class A and McFarland in Class B emerged as champions in the WIAA's 58th annual State Basketball Tournament as exciting, down-to-the-wire games climaxed both divisions of play at the University of Wisconsin Fieldhouse in Madison on March 15-16-17.

The now seven-times State champions, Beloit nipped Fond du Lac, 60-59, in a spine-tingling show in which the lead changed hands on a dozen occasions, including four times in the final 90 seconds. Earlier on the championship day's program, McFarland built a big lead, then was staggering at the finish as Luck put on a furious rally which fell just two points short, 51-49, as a 20-foot shot bounced off the rim at the buzzer.

Capacity — or just under capacity — crowds again were on hand for the two-class program which had no unbeaten teams and no clear-cut favorites but as much interest, enthusiasm and tension as other recent State tournaments. Beloit, which made its 19th trip to the State and appeared in its ninth title game while extending its record of most championships won, deserved its season-long high ranking and season-climaxing championship. And so did McFarland which was making its first trip ever to the State Meet and which 10 years ago wasn't even a four-year high school.

The Purple Knights of Coach Bernie Barkin reached the Class A title contest by defeating Antigo, 59-52, in the semi-finals and turning back New Richmond, 73-60, in the quarter-finals. Fond du Lac, meanwhile, established itself as a surprise team of the tournament by taking a 71-55 verdict from Madison West in its opening contest, then eliminating Kimberly from championship contention, 69-59, in the semi-finals. Antigo emerged as the third-place team in the playoff with Kimberly, winning a 52-42 battle. The other two opening-round games in Class A saw Antigo defeat Waukesha, the highest-ranked and pre-meet favorite (if there really was one), by a 63-55 count while Kimberly won over West Milwaukee in a 54-49 struggle.

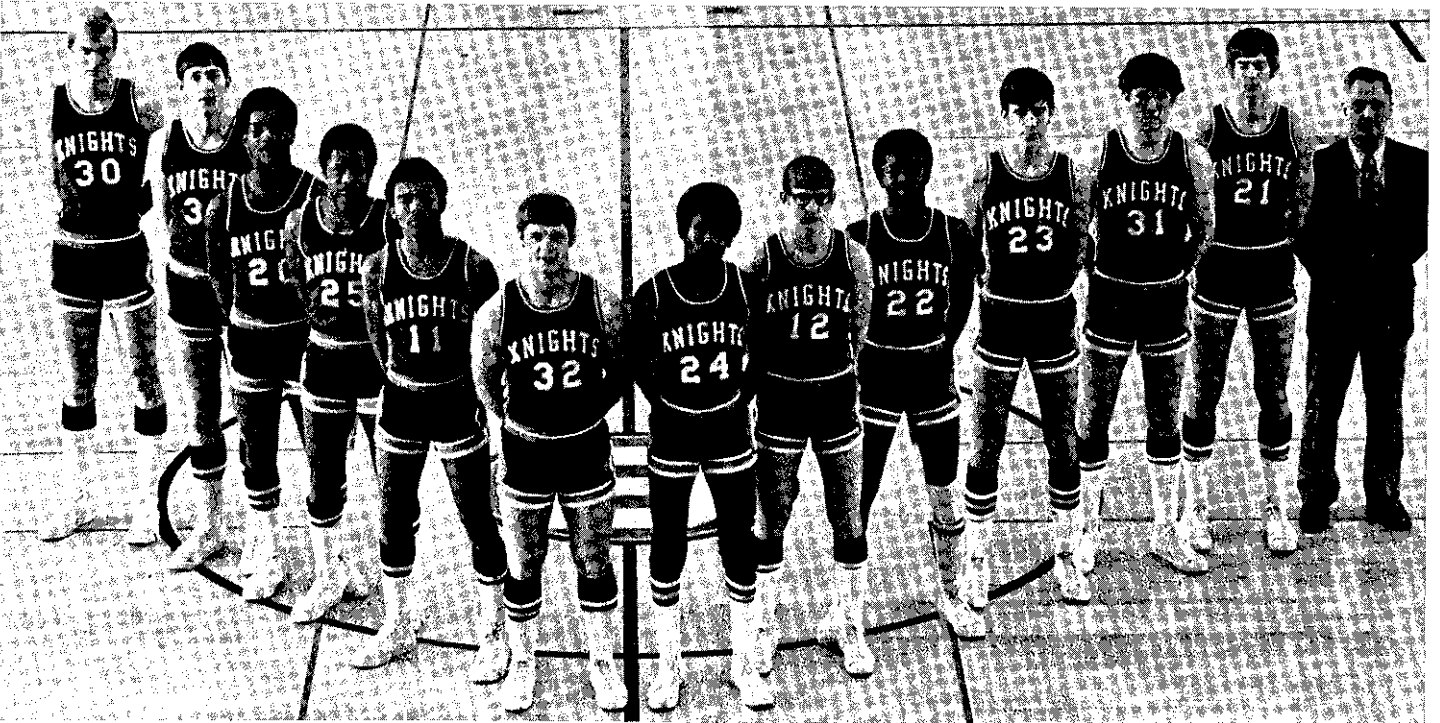

The Spartans of Coach Sam Mills reached the Class B title contest by scoring a 68-31 decision over Chvitz in the semi-finals. The other opener in that division saw Luck defeat Blair, 61-51.

Attendance in the tournament program in 1973 amounted to 379,994, including 71,489 at the State and 308,505 prior to the State. The State total was down from the previous year's 71,489 but it was expected since there were additional changes in seating arrangements. The pre-State figure was down from the previous year's 328,332.

Regular season play during 1972-73 saw no Class A schools compile a perfect season. The best records were once-beaten marks posted by Delavan-Darien (losing its last game of the year), Mosinee, Neocosa, New Richmond and Valders. There were two schools with undefeated status in Class B — Bloomington and Cambria. Losing only once among the smaller schools in the regular season were Colfax, Luck, Marshall, McFarland, Monticello, New Lisbon, Port Edwards and Waterloo.

Tournament Paid Attendance Figures

PRE-STATE	STATE	TOTAL
1960 253,667	76,930	330,607
1961 278,481	75,780	354,231
