

Basketball

Superior parlayed the dramatics of a last-second field goal in regulation time into a startling 74-67 overtime victory over Milwaukee Lincoln.

Sheboygan Falls came from 10 points down in the second quarter and from six back in the last 10 minutes to outlast Kiel in an exciting 53-50 battle.

McFarland took command at the start and built a strong reputation all the rest of the way in its title — defending 65-43 conquest of Mineral Point.

That was the A-B-C version, respectively, of the championship games in the WIAA's 59th annual State Basketball Tournament at the University of Wisconsin fieldhouse in Madison on March 14-15-16.

Spectators — though fewer in numbers than recent years, not because of interest but because of ticket-allocation boomerangs — were treated to a tournament as exciting as any on record. It was the first three-class tournament (with 800 and 400 enrollments the dividing points) since the 1930's, and it was topped by the spectacular Class A finale in which underdog and unrecognized Superior won its first State championship in nearly 40 years at the expense of a heavily-favored and previously-undefeated Lincoln team from a school which won five State titles in just a nine-year span starting in the late 1950's.

Mike Stack provided the major heroics of Superior's victory in the A climax with his 20-25 foot two-hander that nestled in the nets while the final horn was closing the regulation in a 61-61 tie. That tie was the 18th and final deadlock of the fiercely-fought struggle, and when Rob Moodie scored the first basket of the overtime for the Spartans, it marked the 13th and final time the lead changed hands.

Attendance in the tournament program reached 378,213 or just under the 379,994 of the previous year. The total includes all levels of play and it is highlighted by 309,870 at the pre-State level. This figure is a gain of more than 1,000 over the previous year, and represents the first increase since 1970. State attendance was down to 68,339, the fourth straight decrease.

Regular-season play resulted in only seven schools posting undefeated records — Milwaukee Lincoln in Class A, Wittenberg-Birnamwood in Class B and Marathon, McFarland, Mineral Point, New Lisbon and Prentice in Class C. The entire State Tournament field in Class C — Marathon and Prentice besides the finalists — thus were unbeaten.
