Note: A girl who competes in both varsity and junior varsity competition on the same day is considered to have participated in one meet.
- c. A school may enter (for any of its teams) a maximum of five girls per event in dual and multischool competition. If a team does not have five entrants per event, their opponent may fill the open positions which are not to be counted towards the team total.

- j. The official equipment for all competition will be provided by the host school. If the host school cannot provide official equipment, the visiting schools must be notified and allowed to bring official equipment if possible.
Note: Visiting schools are allowed to bring their own vaulting board to all meets with the understanding that any other competing school may also use it.
