WISCONSIN ADAPTATIONS TO NFHS RULES

- a. A double first base must be used for all games at all levels of competition (Rule 1-2-1 Note)
- b. A regular-season game called for any reason where a winner cannot be determined will be treated as a suspended game. If the game is to be completed, it will be continued from the point of suspension and a suspended game will be completed unless both schools agree not to do so (Rule 4-2-3). If the score is tied and both schools agree not to complete the game, it should be counted as one-half win and one-half loss for each team (Rule 4-2-5).
- c. If a regular season game is called prior to the completion of any full inning, NFHS Rule 4-2-2 will be applied.
- d. A regular-season game will end when after five innings a team is ten or more runs behind and has completed its turn at bat (Rule 4-2-3).
Note: The ten run rule must be used in all tournament games except for the five State Tournament championship games.
- e. By conference agreement or mutual agreement by both head coaches prior to the start of the game, a game may end after three innings if a team is 15 or more runs behind and has completed its turn at bat (Rule 4-2-3). Note: The 15 run rule must be used in all WIAA tournament games except the State Tournament games.
- f. A minimum of 1 1/2 hour time limit may be placed on games. No new inning may be started once the time limit has elapsed, regardless of the number of innings played, unless tied in tournament play (Rule 4-2-3). This is a conference or host school decision not umpire's prerogative.
- g. The number of innings for one or both games in a doubleheader may be scheduled for five (5) innings. Current game ending procedures still apply. (Rule 4-2-3 Note 2)
- h. The International Tie-breaker may be used, with prior agreement/announcement, for all regular season games (mutual agreement by both teams) and regular season tournaments (host decision). Conferences may determine use of the tie-breaker and should have this stated in their by-laws. The use of the International Tie-breaker is not allowed in the WIAA tournament series. If a game is tied after seven innings, the game will continue using the International Tie-breaker. Each team starts the inning with the player who completed the last official at bat as a base runner on second base. Each team has the opportunity to bat each inning. (Rule 4-2-6)
- i. If a WIAA regional or sectional tournament game is called prior to the completion of any full inning, after the fifth inning, the game becomes a suspended game if the visiting team has scored one or more runs to tie the score or take the lead and the home team has not retaken the lead (Rule 4-2-3).
- j. If a WIAA State Tournament game is called prior to its completion (7 innings), the game becomes a suspended game and every reasonable effort will be made to complete the game. If the game cannot be completed for any reason (e.g. no facility), NFHS Rule 4-2 and Wisconsin Adaptations will govern.
