Wheelchair Track & Field
Physician's Form

NAME OF STUDENT ___________________________________________

SCHOOL ______________________________________________________

YEAR IN SCHOOL ___________ GENDER ______________

Wheelchair athletes are part of the WIAA Track and Field Tournament series. Anyone with a permanent disability resulting in loss of mobility is eligible.

Examples of acceptable medical conditions would include cerebral palsy, spina bifida, muscular dystrophy, and other chronic medical conditions that result in the students’ use of a wheelchair.

Unacceptable acute injuries such as, but not limited to, sprains, strains, ACL or other joint injuries, and broken bones do not fit the criteria.

Students using a wheelchair for a portion of their daily lives or physical education classes would fit the criteria.

I certify that the above named student meets the medical criteria for WIAA Wheelchair Track and Field.
