## Division 4 Girls Volleyball Sixth Set Waiver Request

Requesting School \_\_\_\_\_

In order to obtain a waiver, a Division 4 volleyball team must have 16 or fewer players on their roster for two levels of competition, if so, the players are allowed six sets on the same day for dual matches after the set waiver is received from the WIAA office.

A school administrator must request the waiver.

Please provide:

1. How many athletes currently are out for volleyball (grades 9-12)? \_\_\_\_\_
2. How many teams do you have (grades 9-12)? \_\_\_\_\_
3. A complete roster with the name and year in school for **all** level(s) your school sponsors.
4. A schedule of volleyball games for each Board approved level your school sponsors. Minimum of five scheduled games is required. Failure to play at least five scheduled games at each level will result in forfeiture of waiver availability for the following season.
5. We also require a letter/note from your conference commissioner approving of this request. Blanket conference approvals are **not allowed**.

Please indicate on the roster any player(s) that are injured. List the injury(s) and expected return date. Indicate on the roster any player(s) that are out for disciplinary reasons, academically ineligible, etc. Players suspended for academic and/or school code violations and/or family vacations are not reasons to be removed from the team roster. Please list the specific reason and expected date of return.

Have these items sent via email <dlepak@wiaawi.org> or fax 715-344-4241, using this form as the cover sheet.

Upon receipt of these items, your request will be processed.

Waiver is null and void at any time the number of available players rises above 16 athletes between two levels.

Thank you.
