As everyone knows, anabolic steroids make you more attractive.

Girls – did you know?
Steroids may:

• Give you a severe case of acne
• Give you facial hair
• Give you a case of bad breath
• Give you a deep enough voice to sing baritone in the choir
• Make you look more like a man
• Increase your chances of being childless

Steroids.
The choice you make today can affect you forever.

MAKE THE RIGHT CHOICE
