

Accessing Sport Exams and Rules Videos

Fall sports exams are available for officials and the only location for completion is within the Arbiter platform.

1. To access your sports exams please log into your Arbiter profile.
2. Click on Eligibility and you can select your fall sport/s that you have registered for.
3. From the Eligibility tab click on the blue button that says view details

4. On the bottom of eligibility details there will be an action column with hyperlinks to complete the test and online rules video

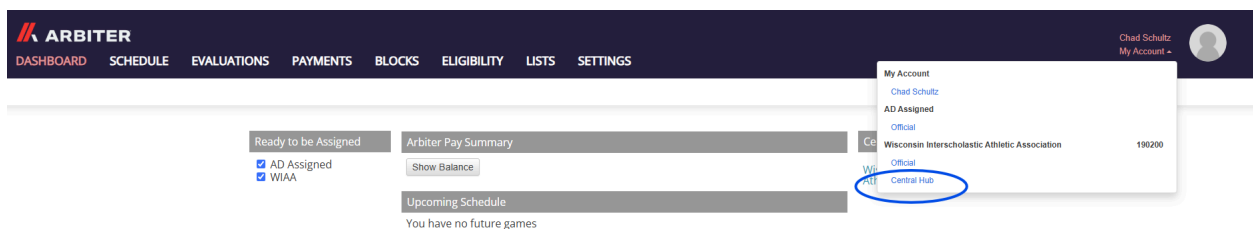

5. Each sport will have special instructions regarding the test, when it closes, and when you will be able to review your test with rule references and the correct answer.
 - a. For an official to be eligible to work the WIAA tournament series, each official must complete all required exams and rules videos for that sport.
 - i. All playoff officials in Football and Soccer must take Part 1 and Part 2 of the sport exams.
6. When accessing the rules video clinic a new window/tab will open up to the video player in BrainShark. The landing page will be a guestbook that will pull your information from your Arbiter profile.
 - a. In order to receive credit you must watch the video in its entirety. You have the ability to review and print off the slides from the presentation.
 - b. After completion you will receive a certificate of completion and within 24 hours the Arbiter platform will update your eligibility to show completion of this requirement.

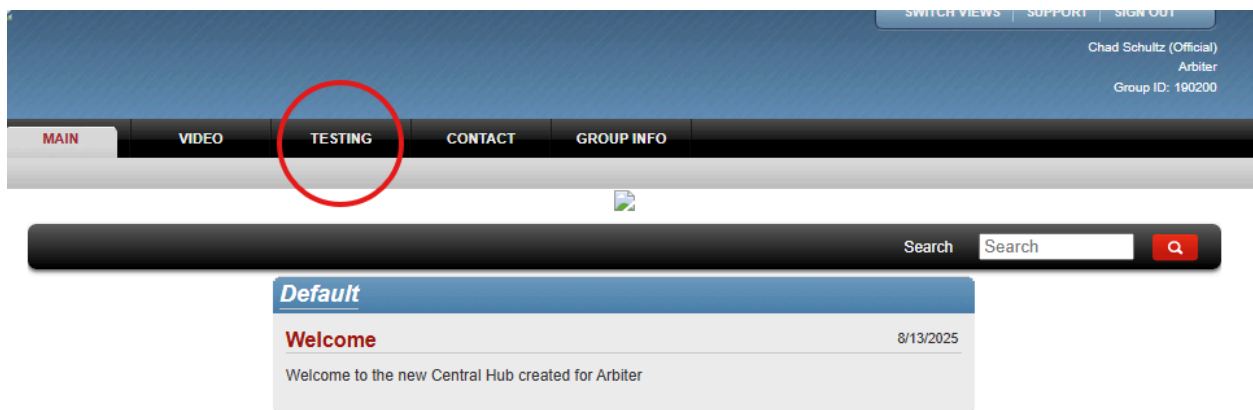

Accessing Exams through Central Hub

You can also access the sport exams a different way from the Arbiter website through their Central Hub.

1. After logging into Arbiter, click on the upper right hand corner where your profile information is located. Select Central Hub.

2. When in Central Hub select the testing tab across the black ribbon going across the page.

3. Select the exam/s that you need to complete in order to meet eligibility requirements.
4. Instructions for how to complete the exam and all necessary steps once in the exam are linked in the blue instructions link and built into the exam.
