

WIAA State Softball Tournament Information

Goodman Diamond - Madison

June 10-11-12-13, 2026

TEAMS STAYING IN MADISON AREA

All State Tournament teams not commuting will be housed at a hotel in the Madison area. Schools within 50 miles of Madison will not be assigned housing. Hotel assignments will be made by the WIAA and shared with schools following the seeding meeting on Saturday.

In order to assure that teams will have a place to stay at the State Tournament, the WIAA enters into agreements with area hotels. If a team opts not to stay at the assigned hotel, the school will not receive lodging reimbursement from the WIAA.

Schools must call/email their assigned hotel immediately Monday morning after 8 a.m., but before 12 noon. Provide them with the names of your party, indicating who will be sharing rooms. Additional rooms (over ten), if available, should be reserved at that time. Teams qualifying for the State Tournament are reimbursed for a portion of their expenses if they are required to stay overnight. If a school is eliminated from the tournament but chooses to stay longer, they will assume the cost of any additional expenses incurred. The WIAA will be sending a check for allowable tournament expenses after the State Tournament. (See WIAA Spring Edition of Season Regulations, pages 41-43).

The WIAA has reserved 10 rooms with two large double beds for each school needing housing.

TEAM MEALS

- Teams are responsible for making their own arrangements for all meals. Talk with your hotel contact to see what might be available at your hotel.

FINANCIAL REIMBURSEMENTS

- Schools will be reimbursed in part for their State Tournament expenses following the completion of the tournament. There are no forms that you need to complete, that information will be calculated by the WIAA staff and sent to you in the form of a check following the tournament. The following factors will be used to determine the amount each school receives:
 1. Travel to and from State Tournament City (each day if necessary) at the rate of \$2 per mile.
 2. No allowance will be paid to schools located in Madison.
 3. Meals at the daily rate of \$10 for breakfast, \$10 for lunch, and \$12 for dinner for each player in uniform, plus two other persons.

Note: The amount of meal allowance received each day is contingent upon departure time to Madison and arrival time from Madison, but the minimum meal allowance on any day of competition will be \$10.

LODGING REIMBURSEMENTS

- Lodging at the rate of \$35 per night for each player in uniform, plus two other persons. Schools less than fifty miles from Madison will not be reimbursed for lodging.
- Schools will be reimbursed for lodging that is necessary for when they are competing only. Once your school is eliminated from the tournament, the expenses incurred will become yours.
- If a team opts to not stay in their assigned hotel, the school will forfeit their lodging reimbursement.
- Questions regarding approved lodging requests can be directed to Kassie Mortimer at the WIAA.

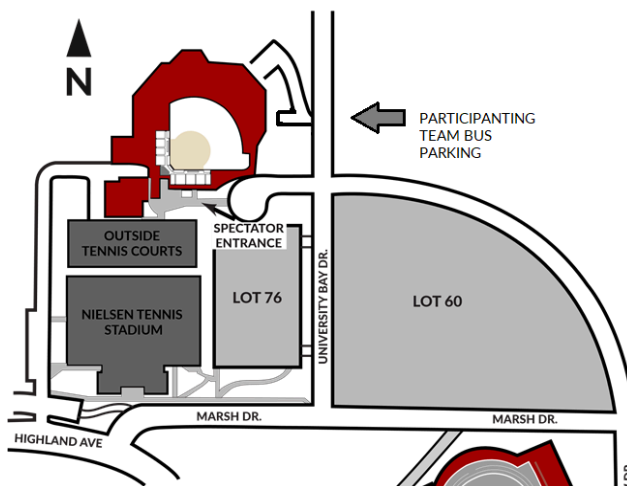

GAME DAY INFORMATION

During the session when your team is playing:

PARKING/ENTRY (See map below)

- Team vehicles (Bus or vans) will unload and park in the right field driveway as directed by the parking attendant. Vehicles may remain parked for their game only and must relocate within 45 minutes of the completion of their game to ensure space for teams of next games. If teams are using vans, only the vans carrying the team will be able to park in the outfield drive. Any other additional vehicles accompanying the team may unload in the circle drive but will need to park off site or purchase parking in Lot 60.
- Team buses will pull into the driveways behind the right field fence to drop off/unload and to pick up/load back in. Both buses will need to pull into one of the two driveways in the outfield, leaving one cleared for the next games team buses so they can drop off and then park in the other drive.
- Buses need to turn off strobe/flashing lights, as it is a deterrent for the teams playing.
- Any vans or additional cars that come with the team will be allowed to unload in the circle drive but will then need to find a place to park off site or purchase parking in Lot 60.
- Tailgating is not permitted. This will be actively policed by UW Transportation.
